

TEAM NEWSLETTER Special Edition 2008

Welcome to the Cycle Logic Racing (CLR) Team newsletter,

the Team would like to thank this year's sponsors for signing up to give the CLR a opportunity to race against some of the best competition the US and Canada can offer. For the coming year the CLR will be called the **French Meadow Bakery – Fortistar Racing Team**

Welcome to

FORTISTAR

The Power Of Choice

RACING RESULTS

**New York State Criterium
Championship Update
Glens Falls, NY
Sunday, August 3, 2008**

The CLR was represented at this year New York State Criterium Championships by Frank Mesi and Chris Tirone of the French Meadow Bakery-Fortistar Cycling Team. Both racers participated in their age group categories as well as the Pro 1-3 feature event. In their respective age group categories Frank and Chris both **won silver medals**

in hard fought contests against a large contingent of strong riders from the Adirondack region (recent gold medalists from the Empire State Games). In 40-49 race, another of attacks thru out the race made for a fast paced event.

TEAM NEWSLETTER Special Edition 2008

Chris rode aggressively and bridged up to many of the early break-a-ways. In the final dash for the finish, he caught a small break just before the finish but ran out of pavement before the line to catch gold. Frank raced in the 50-59 age group and again the racing was fast and furious. The highlight of the day was a mid race prime of \$50 dollars, which Frank sprinted away from the field to win easily. The next lap he was on his own trying to win in a break a way.

The field chased and one rider bridged and now the field had two riders to chase. A few laps later, they were caught and the race settled into a pace, waiting for the final sprint. But, another rider took off with 2 laps remaining and the field kept him in site but could never close the gap,

Frank won the field sprint for silver and will remember that move for next year race.

In their second event of the day, the Pro 1-3 event, Chris rode aggressively off the front, getting some air time for our sponsors and tried a another late race breakaway in pursuit of the bronze.

But the pack did not let him go, and Chris would be swept up by a hard charging pack but still go on to finish top 10. Way to go guys, congratulations on some fantastic results!

End
