

## TEAM NEWSLETTER January 2009

Welcome to the Cycle Logic Racing (CLR) Team January newsletter,

the Team would like to thank this year's sponsors for signing up to give the CLR a opportunity to race against some of the best competition the US and Canada can offer. For 2009 CLR will again be called the **French Meadow Bakery –Fortistar Racing Team**

The CLR is proud to announce the additional of Rudy Project to the squad.

Rudy Project makes the best eye wear in the business and their helmets are second to none.

As they say Technical Cool Products. The team will be wearing Rudy Project helmets and eye wear this year. A letter showing the team's responsibility to this agreement is forthcoming.

In addition the Development Squad has picked up the BIKE SHOP, located in East Aurora as a New Sponsor.

The BIKE Shop will be helping the Development squad maximizing their efforts with their first rate equipment and service. CLR would like to thank Rudy Project and the BIKE Shop for coming on board with the TEAM.

### Our Team

The Cycle Logic Racing team is composed of five elite athletes from last years team. The CLR will be focusing this year on our youth team.

And the CLR Development Squad has

Paul Mesi  
Joe Cooke  
Additional rider to be name at a later date.

## TEAM NEWSLETTER January 2009

### Cyclo Cross TEAM

Last Year we picked up the Ridley Bike company, as our Equipment sponsor for the 2008 year. Chris was our caption. The Team is presently renegotiating for 2009.

#### LATE BREAKING NEWS

Team Ridley rides at the Virginia Beach Cycle cross race and Off road Duo races in January. Frank and Paul show some early season form, with Podium finishes (3<sup>rd</sup>) for Frank in the Master 45+ race and Paul (3<sup>rd</sup>) overall in his first Duathlon race, winning the first and second section of the 3 section race, 5k run, 20k bike and 5 k run. Paul also finished 11<sup>th</sup> in the 123 category race. In spite of 2 wheel changes. And having to run back to the pit. There was over 30 racers at the feature event and close to 70 riders total.

Frank over the barriers.

Frank showing some speed in the master 45+ race.

Paul at the start of the 123 race

# TEAM NEWSLETTER January 2009

Paul in the lead group before rolling his rear tire.

Paul over the rolling hills.

And carrying his bike back to the pits.

Next day, Paul starting the 5k run with 65 other racers.

And some good form over the barriers

## TEAM NEWSLETTER January 2009

Paul making the leaders hurt on the hill

Bike all by himself on bike section

Finishing the 5k run before the 20k bike

Putting the hammer down and finishing the bike 42 sec ahead of the next rider.

**GREAT JOB PAUL, WAY to START THE 2009 Season.**
